(3) I also [illegible] from the [illegible]

(6) While things were in this state

on the 16th of [illegible] Mr Parkinson

received a letter from Ma-

[7] Previous to hearing this news
I had written to my son in law

he went to the [illegible] house to show

(9) When they had read the
[illegible] and Oleh [illegible] was sent
[illegible] and Mr. Jackson authori[zed]
me — if Suttana [illegible] was
fixed in the Puttum — I told
him I had received an Oleh
mentioning it. —

Q Without the orders of the Com-
=pany how can the Puttum
be fixed?

A. Mamool — it is the custom
laid down in the Cumbalam
Shastry — after the [illegible]
[illegible] and other things [illegible]
unto the Puttum is then
fixed —

Q. It is so is it! he then said

(10) After this I received an [illegible]
from the [illegible] saying
that Syed Annaar had been [sent]
to Tanjore, examining
the [illegible] Conjeveram [illegible]
Ryots of the district and [illegible]
their declarations [illegible]
that Suttana [illegible]

the brother Puttacaree
Maha Rao Naig, Shurcatah
Naig - Cattoo Naig - Coola
Goundun and Tara Seevang
Goundun had deserted to the
Cadaweer district. - but that
he was going to give them
satisfaction and bring them
back - That the Cadaweer
Moothi Naig instead of coming
at the time the Puca Bong
died, or even coming the
ninth day himself - had sent
his brother - whom he/the
Sera Naig/ had sent away
they had come without
as Moothi Naig -

(9)/ An Agra from the Cadaweer
~~Moothi~~ Naig then came and
an Olele ~~Sease~~ to Tonigal the
Vackeel - who when he de-
livered the agra to Mr Jackson
told him "that the Naig Bory
"Dory and his Dory Moothe
"Naig being brothers - it was
"the duty of him, on the death
"of the other to go to Toreedurg
"settle the Quttaam and such
"other affairs prescribed by
" the Shastry - instead of which

"the Sera Naig had himself
"placed his own son on the
"Puttum — and after he had turned them away
"the Coolies, sent an Olah to
"Mootiah, who was, he could not
"go himself after the Puttum
"was given away, sent his
"Cousins to make the necessary
"enquiries, who were all
"sent away again" ——

Upon this Mr. Jackson was
angry, and desired to know
whether it was his (the Cashier's)
or the Company's business
to settle the Puttum —

12) After this Mr. Jackson
told me [illegible] Naig
should be instated in the
Puttum

(13) On [illegible] [illegible] the
and the other Headmen that
came — in which they stated
"that the Puttum had not
"been settled with their
"consent — neither had the Communality
"agreed thereto. — that they
"had been seized and confined
"and the Sera Naig ordering
"aside their authority had
"taken the Puttum Sword

"and settled the Cutcum—
"by force—"

(14) My Son in law Ramashilly
~~[illegible]~~ told me the same
that the Ammunal were kept
in prison, and ~~and with~~
much ~~[illegible]~~ ill treated by the ~~[illegible]~~
natives that were under them
that Dathun Therogar Shan=
=nugum Mudaly & Vena=
=rang adum Iyer were but in
confinements and Raser ha
and other Ryots, left the villa[ge]

(15) On my going to Penuga
Dittah the Dubash and
telling him all this, he said
"Pattama Iveng was not
"interested in the Cuttcum a-
"-ect the commands of the Com-
"-mand— that they were
"confined on account of the
endeavour ~~[illegible]~~ to have the Cuttcum
"to bazaar hang— that women
"were not allowed to make
"any ~~[illegible]~~ opposition in any [illegible]
"of the Company— and that
"his Dorey having said Pattama
"Iveng should be heard in
"the Cuttcum, he desired me
"to write word for peace being

"being made with the women
"and their being treated according
"to their wishes"

13

(16) I accordingly wrote to the
Sona Naig desiring him to
conduct himself to the satis-
-faction of the Commercial — to
release the persons who were
in prison & recall the Ryots
who had gone away. — In
answer to which he wrote
me "that he had released all
"the inhabitants from confinement
given satisfaction to the Com-
-mercial, whom he was treating agree-
-able to their inclinations —
"that Pars Naig and the others
would not return there, but
had written them two or three
an Ollys, which by speaking
to Moolia Naig, they had sent
by Gomastahs through Chettys and
Gomastas to the Commercial —
that they (Pars Naig & the others)
were alarming the Ryots of
his country, who were in a
state of fear and running
away from them — desiring
me therefore to obtain an
[illegible] to Moolia Naig to
send those Ryots to him

(17) After this ~~time~~ an Ayze came
but no opportunity offered
for my speaking to Tuan
Billy the Dubash, tho' I was
waiting there every day; ~~as~~
as there was a great concourse
of people. He told me to
watch a good opportunity
when he would get me an
answer to the Ayze. He further
told me then, that Paree Man
and other people who had
run away from my district
had made a complaint, that
the Sora Raing had taken all
the Goods Chattels & property
my late master had acquired,
and placed his own son on
the Puttam and desired to
know how this was, ~~and~~ for his aid as he
had given his word that
Suttana Raing should be
installed in the Puttam, it
should be done so, and desired
me to write to the Sora Raing
and tell him he must so
manage as to do something
that would please his Master.
I asked him what I was

to write — which he said
17/ he would ^not^ tell me — but that
the Sera haig would understand
and act accordingly — he desired
me there fore to write without
any other person knowing
of it — which I did — and
the Sera haig returned for
answer that he would endeavour
2 to settle — the ~~[illegible]~~ ^matter^ — and
desired ^me^ to speak about the
amount that would be right —
and write him word. —

18/ Chinnarley [illegible] of Comara
Dolham wrote to [illegible]
and told the Sera haig, that
he and [illegible] in
^strong^ connexion with one another,
and that as he must do
something to satisfy him,
if he would give him two
or three thousand, he would
send his man to speak about
the business and get the [illegible]
[illegible] and [illegible] [illegible]
Bottom —

19/ The ~~[illegible]~~ ^all^ Dolbys having [illegible]
consulted together and agreed
to act to one effect — each with
to his [illegible]

I then [illegible] alledge Pechees or Pagodas — the custom of writing them ^is^ established in the 4th Para of Sheik a Dolby's declarations — the declarer speaks that in writing so he means Pagodas

desiring ~~[illegible]~~ him to sieze /
out at threshold of the Corvery,
that but even a hair were
the brother putteecon——

(20) The Sora Naig having them
managed matters the endea-
-vours of Mootia Naig Para
Naig and the other were of
no good effects—

(21) As my Parea Dorey did not
during his life time settle
the Pattaum of Bageri Town
who was now insnared by
the Sora Naig— considering
this— and ~~hard~~ offered unto
myself contrary to the desire
of the Sora Naig— that as my
children and family were
at Tannshorry there would
be room for bringing great
afflictions on me— and as
I had no other master,
and as both the Ryots of the
country and the Officers
were brought over to his way
as also the Company— I
thought I must act so like
wise— ~~and [illegible]~~

(22) I then went to Munga Dilly the Dubash and desired him to furnish the amount which I was about to do— and asked what the Sircar had written, I said that he would give five hundred Pagodas— this he said was so trifling that I must not speak in that little way, and was angry— I told him I had spoken according to my circumstances, upon which he said my master had acquired two or twenty thousand— as the Rots in enmity with me had written him word— he desired me therefore to write secretly for a weighty amount to be sent—

[illegible] ——, in 18th Para

(23) I wrote accordingly, and sent word by my son in law Unnamalay that if he [illegible] a clear thousand Pagodas the business would be done, but the Munga Dilly the Dubash would not mention any amount —

upon this Cumaly Pilley went to Manachevoy and Ambur on the business. He told him he [illegible] from Sera Naig 4860 together a ☐ thousand Pagodas, gave it to Shoka Pilley and send him with Sooba Pilley of Cumaca Dotram — by the way." He desired him also to go after them after he and they all arrived together. —

Before they arrived Rung Pilly desired [illegible] if I had not received any answer to my Olla to go myself and speak to the Sera naig on the business, and that if I returned and got things settled in such a way as to please his Master that notwithstanding any Impediments that might be thrown in way, that naig should be heard in the Cutchurry — I sets out in consequence, and when I had got about a Coss far to the northward — I met

Sheolna Pilley – Sooba Pilley
and Annamah Pilley – who told
me they were going to Cumnad
to speak on the business there
and get the Outteern things
and desiring I would go with
them – I returned to Tamnad
and with ~~[illegible]~~ Sholna Pilley ~~and~~
Sooba Pilley of Comarapollay
and the son in Law of Chinnah
Pilley who was before with
Munga Pilley – we went to talk
with him, but he said as we
were all four come together that
he would not speak with us,
and desired ~~us~~ to come the
~~[illegible]~~ next day

vide Confession on 24 Page

[2 b] On my going to speak with
him by myself the next
day – he said – "what out of
a business is this." and that
it was not satisfactory

alluding to one thousand Pagodas only being brought

In two or three days more
I and Cuttah Sheena Pilley
went to speak with him
again – but he would not
consent. – [illegible]
the Son in law
desired us to write to Chera
Shevoy, that if he sent one

or four hundred Pagodas more it would not be enough to wash by Munza Pilly's desires—

I wrote accordingly to that effect—

27 The next day the Pilly Dubash sent for me, and said— if I kept the tax I had by me without, it would be in danger of the Colonies, and desired me in consequence to keep it in the treasury, and that when the Sora tax was collected to send the remainder—if it was agreeable to his master's wishes—that he would then take the whole. Thus saying he desired me to bring the thousand Pagodas in the tax

Vide Remarks on 24 Dara

28 I sent a... him Pilly could together with the money, I showed him the tax and deliver it to the treasurer, as he desired— he then told me as his master was going to Londe where he would stay ten Days and he was going to

attend him. that we also
must go with him — X
(29) On the 30th of November
we ^been all went to Torda and
when we saw Munga Dibiz, he
told us to come the next morning
The next day he sent for
me alone and as I had heard
rumours had come from
the Sera Naig — I told him he
would comply with the desire
of the Company — but that
in consequence of the endea-
-vours of Avoor Mootah
Naig, with Daoo Naig and the
other Ryots — that the Ryots
of the districts were in a state
of alarm and did not pay
their money — that the Ryots
in the villages were much
perplexed because the [illegible]
Naigs had not arrived
and that I had received a
letter saying that it was in
the event of their alarm caused
by Daoo Naig and the others
that the Ryots ~~found~~ said they
could not pay their money
Upon this he said the old

must come ~~to~~ for Cutten-
naig's Pattamm & that he was
give ~~him~~ me a letter for the
Sera Naig to act as Cawlor
which he did then —

(30) When Seenthe Tom heard
this he said to me "if you
"give to him, how can it be
"done — if you give me one
"or two hundred the bu-
"siness will be done
"I have now nothing for
"my expences —

Salvadore to Teruga Pilley

[illegible] — [illegible] in | 10 | Para —

(31) upon this I gave him
six Rupees — and when I
took the Cawlor letters
and Sloka Pilly gave him
ten Pagodas

(32) "250 Rupees received
for the Varsha-a-Ulley
expences. —

(33) The Pilly Dubash sent for
me another time by my-
self — and told me the
Sinayeh Narna for Cutten-
naig's Pattam would come
in five or six days and
desired me, to tell my the names of

Dong's Father— Grandfather
and his Father's grand
father ~~names~~ elder and
younger brothers ~~names~~—
I told him three or four
names, which he desired
me to repeat again and
wrote down on paper—
asking me if they were
written or whether or not
I knew the names of ~~three~~
~~or~~ five or six generations
I told him I did not, but
that I would write about
it and tell him afterward
he then asked what I
meant by speaking so
and said, "if there is one
"days delay in the business
"of getting Hawaii being
"firmly ~~fixed~~ in the Unite[d]
"how can it be managed?"
"I must write only what
"you know— the Secy has
"has written me word
that you know all

I told him my Lord Pigot
had formerly informed me
that he had written to the
Durbar Moonga Pilly to
Puttana being firmly
established on the Puttum
and that, in his business to answer such
I was to write all Durbar letters
as he desired me —

36 | After this he wrote
down my late Dory's Father
family — and the Sera Raj
family, and when he was
writing the Vagona Raja
case; as it was now resumed he said
to make over the Puttum
to Puttana, to which all his
the Dobys are had agreed;
and as Puttana Raj and
Vagona Raj were the sons
of an elder and younger
father — he wished to know
which was the first and
which the second in relation-
ship — I told him I did not
know — upon which he
asked a distinction with me

ought to be a bust

25 first Curtana Haig was
two generations removed
and Bazora Haig born
which having written down
he desired me to go and, enquired my not
mention the business I had
then been about to anyone
about me —

35) The next day he had written
out the genealogical ~~[illegible]~~ branches
and sent for me alone
and said he met with much
difficulty this one — desiring
me to read the Genealogical
branches and copy it, and
if Mr Jackson asked me
about it — to say it was as
there written — I wrote it
out accordingly

For consideration of this and foregoing Para — vide 14 Para of Stokes Peters declaration

(36) After which Dunga Dobey
went to Mr Jackson and
gave him the paper he
had written which having
read he sent for me,
and asked if there were
no mistakes in what

I had written or whether it was true — and desired me to tell him how it really was — when he I stood still through brae and the Rally Dubash gave me a wink and desired me to smile — I then said it was true —

(37) After Mr Jackson's having a fully returned to be see over that Ramnad — Mr Jackson had wrote to Cattr Gubb at Manashoor, to go to Shevagherry and enquire into the truth of the [illegible] with the Nayak — Coris and of the district and the other Poligars — and had desired 2nd Ameen to attend him — on which account he told me to send one of my servants there, and to continue so that they send those shastras accord with the Genealogical Table he had written —

letter and gave it to me,
which with other I wrote my

[illegible] had been to
[illegible] investigating
the business with the [illegible]
and all the other inhabitants
who had been sworn and
declared the [illegible] was

[illegible] and the others had
written an [illegible] — that

that he [illegible] with

there was no good in speaking

that you are now the Dara

me, having sent people
to watch my conduct –
the Pansums extraordinary
having also been extended
for the Panshes valley extension
what you speak about cannot
be brought about – and if
you in future speak on the
business you will get into
trouble – If Bagwa Tombe
was now in your house
I would manage the business
without extending one fanam
and get the Puttum settled –
if I were to speak about
it now, what can come
of it?

(46) After this I received a letter

the Mamzhavary Ryots who

to be sent back ~~[illegible]~~ to Mamzhavary
for that they (Paur Naig and the
others) had sent a man to
the Ryots of the district, who
had caused an alarm among
them — and that (Paur Naig

(47) A Tackeed was then sent
to Endavoor and a Procla-
II mation to the Ryots, which
went to Syd Ameen at
Manahar — and he sent
a man to give out the order
(48) About ~~[illegible]~~ this time a letter and Arzee came from the Sera [illegible] stating Paur Naig and
